Dear ,

Request for Information – ATISN 11820

I wrote to you on 14 December regarding you request for information. You asked for the following information relating to Framework Agreement 2013/S 231-401183 which relates to the ITSO Smart Ticketing Scheme:

1. Suppliers who applied for inclusion on the above mentioned framework/contract and were successful & not successful at the PQQ & ITT stages.
2. Contract value of the framework/contract (& any sub lots), year to date.
3. Start date & duration of framework.
4. Is there an extension clause in the framework(s)/contract(s) and, if so, the duration of the extension?
5. Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?

For question 1, I can confirm that two companies applied for inclusion. The successful company was Applied card Technologies, Payzone was unsuccessful.

For questions 2 and 3, I have concluded that the information we hold is exempt from disclosure under section 21 of the Freedom of Information (FOIA) – information available to the applicant by other means. This information can be seen on the sell2wales website using the following link – http://ted.europa.eu/TED/notice/udl?uri=TED:NOTICE:126545-2014:TEXT:EN:HTML

There is no extension clause and at this time no decision has been made to extend or renew the agreement.
