As discussed, please find enclosed the progress reports sent by the DMA late last year.

In relation to the paper sector, Defra have engaged with the magazine sector. A new agreement with the PPA started this year (Scotland and Wales are also a part of this) see

<http://www.ppa.co.uk/New%20PPA/About/Activities/Environment/News/Magazine%20publishers%20sustainability%20pledge%20five%20year%20Government%20deal%20Defra/>

If you need anything else just let me know.

Thanks.

Hi (s40(2)),

Please find attached the high level update on the Responsibility Deal and also the last suppression report with others to follow.

Have a great Christmas and New Year.

Mike.
