Subject: RE: Courtenay Road, Splott

Dear

Thank you for the consultation letter. Apologies that this response is a little late.

I can confirm that the only planning application that applies is [14/02886/MJR](#), described as *'Demolition of former College Buildings and construction of 36 1/2 bedroom apartments in 2/3/4 storey detached blocks with associated car parking and amenity space'*.

I forwarded your email to our Councillors for the Splott Ward, the Leader and our Cabinet Member for Planning on 4th June. No response has been received, but I would be interested to know if any response has been sent directly to you.

We have no specific views, although as the application for redevelopment has been under consideration for some time, a swift decision on the matter would be welcomed.

Regards

Hello all

Could you please give me an update on the spot list request for the above site please so I can pass it on to the case officer.

Many thanks
