Ellen,

We are hoping to be able to announce the review during the week commencing 13 July before the Assembly breaks for its summer recess on 20 July. It would be very helpful therefore if you could get back to me with your costings and agreement of the draft terms of reference early next week please so that I can progress the single tender departure request during that week - this being government there are a number of administrative arrangements we need to get agreed and in place before we are able to make the announcement.

I have attached for information an update to the high level timeline I sent you yesterday which includes an indication of the key dates.

Thank you
