Dear ,

Request for Information – ATISN 10078

I wrote to you on 5 January regarding your request for information about A55 road works. You requested the following information:

- On how many days in 2015, excluding bank holidays, was the A55 clear of road works?
- On how many occasions were newly installed central barriers opened to facilitate traffic?

I can confirm that we hold some information relating to your request. The A55 has been clear from road works, excluding bank holidays, for 72 days in 2015. This figure does not include the days when road works were undertaken overnight only and therefore did not affect day time traffic flows.

The central barriers have not been opened to facilitate traffic as there have been no incidents yet that warrant their use.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
