ATISN 10132

26 February 2016

Dear ,

ATISN 10132 – Annual expenditure for maintenance and operation, and ticket sales receipts for Caernarvon and Beaumaris castles for the years 2006 to the present

Thank you for your request which I received on 27 January 2016.

You asked for:

“Annual expenditure for maintenance and operation, and ticket sales receipts for Caernarvon and Beaumaris castles for the years 2006 to the present”.

I understand that you are looking at annual expenditure for maintenance and operation and ticket sales receipts for both Beaumaris and Caernarvon castle for the ten year period 2006 to 2016.

From my preliminary assessment I estimate that it will cost more than the appropriate limit set out in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004 to answer your request. The appropriate limit specified for central government is £600. This represents the estimated cost of it taking over 24 hours of time to determine whether we hold the information and to thereafter locate, retrieve and extract it.

In order to provide you with the information that you have requested would require us to locate the specific expenditure on maintenance and operation for each castle, retrieve the data and extract the information for ten years. This work would need to be repeated for both castles to provide the ticket sales receipts information. Consequently, I have decided not to provide you with the information you have requested.
