Dear ,

Request for Information – ATISN 10270

I wrote to you on 8 March regarding your request for information relating to fibre broadband. You requested:

1. Correspondence relating to Cabinet 1 on the Beddgelert exchange (Gwynedd).
2. The sign off procedure for deciding which areas will be upgraded under Superfast Cymru rollout, and which areas will not.

Having searched our records I can confirm that no information is held in relation to the first part of your request. In terms of the second part of your request, operational decisions on when and where to deliver superfast broadband under the Superfast Cymru project are taken by BT. This enables them to deliver the project in the most efficient way possible making the best use of their resources and public funding and providing access to as many premises as possible.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
