Ken

Would you please send Cllr Phil Wynn info on the Bill you recently took through the Assembly.

Many thanks

Lesley

Dear

Thank you for your email.

Am appalled that Wrexham Council are refusing to go out to public consultation in relation to the Groves. I am still calling for that.

I suggest you email the Education and Skills Department at the Welsh Government regarding 21st Century Schools.

Yes the Historic Environment Bill has just been passed and I will ask Ken Skates Department to forward information to you

Lesley
