Line to take – the decision about who attends the site visit and the extent to which they are able to inspect the building is a matter for the Council as the owner of the premises.

Thanks, I'll respond to her on those lines and get in touch with Mr George

Just one more question though, if there are others who are there tomorrow what line do we take, from our point of view can anyone join in the site inspection or is it just Mr George?

Simon,

Yes, subject to the Council's agreement. Frankly, the final decision as to whether Mr George attends is one for the Council as they own the building and will be responsible for the welfare of all those on their premises. There will be some personal responsibility on those attending but, as the owner, it is the Council that controls entry and not the Welsh Government's Historic Environment Service (Cadw). Anna needs to confirm that the Council is content for Mr George to attend and advise on any specific requirements such as health and safety equipment/ clothing etc.

Are you happy for Mr George to be invited on the visit? If so I'll get in touch with him.

Dear Simon,

Following our discussion yesterday, I understand that you have received a request to be accompanied on your visit to the former Grove Park School by Mr Roland George.

It is for Cadw to determine if they wish to be accompanied on this visit. However, I should make you aware that the Council have declined previous requests by Mr George and other members of the public on health and safety grounds as well as the high levels of public interest. For purposes of transparency, the Council has therefore placed a photographic record on the Wrexham History Society website: www.wrexham-history.com

I should be grateful if you could inform me of your decision on this matter in advance of our meeting tomorrow and would advise that anyone entering the building is required to wear full and appropriate PPE.

Kind Regards

Anna
