Dear Simon,

The Council has been consistent in its approach with this matter. Access was granted to the Historical Society in order to provide wider access to images uploaded to the web and to avoid having to manage numerous visits by interested parties. Mr George has contacted the Executive Director separately and has been advised by him that access is not permitted. Mr George was referred to the Historical Society web site pointing out that that this is our consistent approach with all such requests. On this basis the Council would not wish to grant access.

Kind Regards

Anna

Dear Anna

Yes, we have received a request from Mr George to attend our inspection of the school. We have no objection in principle to this but it is our view that it is up to the owner of the building to control who can access the building and be satisfied that any relevant H&S requirements are met.

If you can confirm that you are content for Mr George to attend tomorrow then we can contact him and respond to his request.

Regards

Simon

Dear Simon,

Following our discussion yesterday, I understand that you have received a request to be accompanied on your visit to the former Grove Park School by Mr Roland George.

It is for Cadw to determine if they wish to be accompanied on this visit. However, I should make you aware that the Council have declined previous requests by Mr George and other members of the public on health and safety grounds as well as the high levels of public interest. For purposes of transparency, the Council has therefore placed a photographic record on the Wrexham History Society website: www.wrexham-history.com

I should be grateful if you could inform me of your decision on this matter in advance of our meeting tomorrow and would advise that anyone entering the building is required to wear full and appropriate PPE.

Kind Regards

Anna
