Subject: Peer Review - Grove Park School

Roger,

Further to your telephone conversation with Judith Alfrey yesterday, please find attached the additional information submitted in support of the listing request and Ms Alfrey's assessment.

In undertaking the peer review we would be grateful if you could please take into account this additional information and explain whether buildings of a similar type and quality have been listed in England and the extent to which they are of comparable architectural and/or historic interest.

We fully appreciate that this review has to be factored into your own work programme and we are grateful that you are aiming to complete the peer review by 30 April.
