Dear ,

Request for Information – ATISN reference 10414

Thank you for your request which was received by the Welsh Government on Thursday 26 April. You asked for the following information:

1. How much in pounds have the Welsh Government buildings' restaurants in Llandudno Junction, Aberystwyth and Cardiff had in subsidies in each of the last three years 2013-2014, 2014-2015 and 2015-2016? and
2. How much each of the restaurants in (1) above have received in takings from customers in each of the three years above?

Catering costs

Financial Year	Cathays Park, Cardiff	Rhoddfa Padarn Aberystwyth	Sarn Mynach Llandudno Junction
2013-14	£348	£47,148	£65,616
2014-15	-£41,822	£27,721	£53,416
2015-16	-£57,663	£30,376	£56,731

The Welsh Government has a single contract for the provision of catering services across its estate. In recognition of the importance of supporting local and ethical sourcing and health and wellbeing initiatives, this means a level of financial input is required to achieve these aims. Owing to the size of the catering operation at the Cathays Park office, this location attracts a credit in terms of the catering cost. This credit is then off-set against the overall catering costs for the all locations in scope.
