Subject: FW: Hedge outside no 107 Heol cennen

Good morning

Please see attached photos of the hedge between 105 – 107 Heol Cennen, Ffairfach as requested. The hedge is well maintained by the owner and does not encroach on to the highway. The visibility from 109 would be obstructed but as this is a private entrance, I don't know if we could carry out full enforcement.

I am happy to discuss this if you need any additional information.
