4. In making this grant offer, the Welsh Government continues to encourage organisations to use their best endeavours to obtain financial support from sources other than the Welsh Government.
5. Should you be unhappy with the way the staff of the Welsh Government have handled their dealings with you, we want to know and we want to put things right. You will wish to be aware that the Welsh Government has a Code of Practice on Complaints which allows for the consideration of complaints about our administrative actions. However, in the first instance, you might find it helpful to contact the staff dealing with the administration of your grant in order to explain what the problem is and see if it can be resolved.
6. If you have any queries about this letter please contact Alyson Collins on 029 20825441.

Yours sincerely,

Adult Social Services Policy Division.
