Dear Dr Paterson

**PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990
BUILDINGS OF SPECIAL ARCHITECTURAL OR HISTORIC INTEREST
GROVE PARK SCHOOL, ACTON, WREXHAM**

As you may know, the above property has recently been brought to our attention with a request to look at them for listing. It is one of the duties of the Welsh Government to compile a list of buildings of special architectural or historic interest under Section 1 of the 1990 Act.

A Historic Buildings Inspector from Cadw has inspected the building and has provided a draft description – copy attached – which sets out our preliminary assessment. We propose to proceed shortly with the listing, but first, can you please confirm that you are the owner of the building and send any comments you wish to make, by 4 July 2016 please.

Listing is not a preservation order or a block on future changes. It ensures that proposals affecting the character of the building are considered by the local planning authority through a special planning procedure, known as listed building consent. In considering such applications the Authority will be looking to safeguard the historic character of the building from alterations, extensions or demolition that would otherwise compromise a building's special architectural and historic interest. Please do not hesitate to contact me if you have any queries.

Yours sincerely,

Evelyn Raffour
