Subject: 16SFS140 "Unfitting" students for "Internet trolling"

Dear ,

Thank you for your email of 25 June 2016 about circumstances where a student may be considered "unfitted" under the provisions of the Education (Student Support) (Wales) Regulations 2015. Your query does not fall within the remit of Freedom of Information legislation and has therefore been dealt with as a standard enquiry.

Please note that the issue of fitness to receive support would be dealt with on a case-by-case basis, based on the circumstances of any particular matter. You may wish to seek your own legal advice in respect of any detailed interpretation of the provisions of the Regulations.
