Dear ,

Request for Information – ATISN reference 10624 – internal review outcome

Thank you for your email which was received on 26 August in which you asked for a review following our disclosure to you under our reference ATISN 10624. In your complaint, you stated that "I am unhappy because in my original request I asked for details on exactly what was purchased. Instead I received a vague description of purchases e.g. 'Publications', 'Stationery', 'Other expenses'".

Your original request asked for (inter alia) "exactly what was purchased from Amazon UK Retail and Amazon UK Marketplace (e.g. books and stationery?)" The request did not state the any other itemisation required or the fields of information you were interested in. The Welsh Government provided an itemised list of transactions and I believe that our interpretation, along with the information provided, amounted to proper response to your request. To that end, I do not uphold your complaint.

However, as your complaint email provided further clarification of the fields you were interested in receiving information on, I am content to release the information to you as part of this review.

If you remain dissatisfied with this response you also have the right to complain to the Information Commissioner at:
