Thanks Linda,

I'm in Aberystwyth next Monday for a meeting, timing still to be confirmed. Are you around that day as I can pop in to see you? Failing that, yes I'm going to be at the YoL meeting on 21st too.

Best wishes
Jason

Dear Jason

I've spoken to our President and he is able to attend the meeting on 22 September. He will be accompanied by Pedr ap Llwyd, Director of Collections and Public Programmes. It would be good to catch up before the meeting - are you intending to attend the Year of Legends meeting on 21 September? If not, perhaps we could arrange a phone call.
Kind Regards

Linda

I fear that if we move the 22 Sep then we will not get to meet until the October date, which is challenging in of itself. How would you feel about us pressing ahead with the 22nd if the President was able to come plus one of your deputies on the executive team, plus I would be happy to meet whenever/wherever suits ahead of the meeting to talk things through in detail. As well as this our plan is to send you the draft terms of reference for the steering

group by close next Monday 19th Sep so there is an opportunity for written contribution too, which could be tabled.

I would be extremely grateful if both the President and myself attended the proposed meetings. Many of the relevant areas to progress involve governance issues and our President has the authority to speak on behalf of the Library as opposed to the responsibilities of my role for executive and operational issues.

I understand that David is similarly committed to a meeting in Ireland. I appreciate the difficulty of finding a suitable date but this is one which is really difficult and I would like to attend if at all possible.

The 22 September is particularly difficult as I have an important UK meeting in London where I'm unable to send an alternate. 25 October I have meetings in Cardiff until 2pm. 30 November I will re-arrange existing meetings.
