Subject: FOR THE ATTENTION OF HELEN CHILDS re Higher Education Review interim report

Dear Minister

I am delighted to submit the Interim Report of the Review into Higher Education Funding in Wales. The Panel has been working together extremely effectively and this report summarises the evidence we have received, both formally and through the open call for evidence.

I would add that the quantity and content of the submissions to the Call for Evidence demonstrates both the respect of the Welsh people for Higher Education and their commitment to a healthy system of Welsh Higher Education.

I would also point you towards the Principles which the Panel have adopted and which will guide our deliberations over the next few months as we move towards our recommendations.

I look forward to speaking to you in the next few weeks.

Best regards
