Dear ,

ATISN 10936 – A&E provision in Powys

Thank you for your request under the Freedom of Information Act 2000, which I received on 21 November. You asked for the following information:

Policy documentation relating to the provision of Accident and Emergency services in Powys.

The Welsh Government does not hold information in relation to this request.

In Wales, the Cabinet Secretary for Health, Well-being and Sport has a role to set the strategic direction for health services and hold the NHS to account. However, it remains the responsibility of health boards to plan how services will be delivered at a local level and they must regularly review these services to ensure they meet the needs of their resident population.

I have attached a link to the contact details for Health Boards here:

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit,
Welsh Government,
Cathays Park,
Cardiff,
CF10 3NQ

or email: FreedomOfInformationOfficer@wales.gsi.gov.uk

Please remember to quote the ATISN reference number above.

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:

Information Commissioner's Office,
Wycliffe House,
Water Lane,
Wilmslow,
Cheshire,
SK9 5AF

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Yours sincerely,
