Dear ,

RE: Freedom of Information request in relation to financial grants given to Bron Afon for housing projects in the Cwmbran area for the 2016-17 tax year

Thank you for your e-mail which I received on 4 May which requested the following information:

- Financial grants given to Bron Afon for housing projects in the Cwmbran area for the 2016/17 tax year.

We can confirm that Bron Afon received £212,095 of Social Housing Grant in financial year 2016-17 which was directly attributable to housing projects in Cwmbran. Other grants received by Bron Afon were received on a Torfaen wide basis and as such we cannot determine how much would have been allocated to Cwmbran specifically. For example grant funding awarded for the purpose of delivering the Welsh Housing Quality Standard (WHQS) is used to deliver and maintain the standard across all of Bron Afon's housing stock.

I hope this satisfies your request for information, but if you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:
