Dear Nichola,

Thank you for looking into this last week. I have attached a signed copy of the consent form, please let me know if you need anything else.

If possible, we would be looking into doing this work between Christmas and new year if the consent is granted in time. I would be grateful if you could let us know if you think this would be possible please, and also do I contact you to let you know dates and when the work has been completed?

Thank you,

Regards,

[].
