Dear Fiona,

Re: our client – []

[

].

[

].

As at 4th April 2016 our client has informed us that [] has now started to move machinery on to the site and we understand that you are aware of this on the basis that he has applied to CADW for permission to lay gravel and that permission has been granted.

It would be helpful if you would please outline to us details of your involvement in this matter and the current position in relation to the area concerned.

We look forward to hearing from you.

Yours sincerely

[]

Hi Will,

This is re Glyndyfriedwy tramline. Please could you forward to whomsoever is the relevant Cadw person, and/or respond.

Thank you,

Fiona

Hi Fiona,

Do you know whether the works granted SMC at the Deeside Slateworks Tramway (a layer of crushed stone to be placed over the surface of the tram-road for the width of the track) has been carried out? We were advised that they were scheduled to take place between 6 and 13 February, but I am unsure whether that went ahead.

Thanks,

Helen

Hi Helen,

I have just spoken with [] who was to carry out the works on behalf of []. The machinery originally went on site earlier this year, but as conditions were too wet they abandoned the works.

Since then, there has not been opportunity for him to continue. He will keep my informed of when he is able to proceed, and hopes this to be in the next month or so.

Best wishes,

Fiona
