Dear

Deeside Slateworks (DE246)

I am writing further to your email regarding the above scheduled monument. Please accept my apologies for the delay in responding to you.

I can confirm that in November 2015 Scheduled Monument Consent was granted to carry out works to the dirt track at this scheduled monument. The Consent granted permission for a layer of crushed stone to be placed over the surface of the tram-road for the width of the track to prevent further vehicle rutting.

Yours sincerely

Helen May
