Dear ,

Request for Information – ATISN 11471

Thank you for your request for information received on 13 August.

I have provided the National Performance Dashboard data for June, July and August.

As you are aware, Cafcass Cymru has recently been conducting a review of its performance information framework and this is leading to a new suite of reports being created. The aim is that these reports will provide more relevant and meaningful performance information to the organisation that further assists with service development and improvement. With this in mind Cafcass Cymru has taken the decision to cease the production of the National Performance Dashboard and the July document will be the last one produced.

Your correspondence also raised issues not captured by your Freedom of Information request, these issues will be considered separately and I understand Matthew Pinnell, Interim Deputy Chief Executive has been in contact with you as to how this should be best taken forward.

If you are dissatisfied with the handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to:

Nigel Brown
Interim Chief Executive
