Subject: RE: MA-L-VG-0368-17 Welsh Language Standards for the Health Sector - Primary Care

Dear all

I can confirm that the CS is content to agree the recommendations as set out in paragraph 2.

Colleagues are reminded that they are responsible for maintaining a full and formal record of all advice relating to their area of responsibility.

Kind regards

The Minister for Welsh Language and Lifelong Learning has agreed the recommendations, including to proceed with Option 3. However, the Minister has asked that nothing is formally done until she has had a chance to consider the responses to her questions on the health standards.

This will now be considered by the Cabinet Secretary for Health and Social Services.

Thanks
