Thanks for letting us know.

The FM has some availability between 17:00 and 17:30 on Tuesday 16 January. Would this be suitable for the Cabinet Secretary and Minister, please? The meeting would be in the FM's office, Ty Hywel.

[hepgorwyd adran 40(2)]

My Minister is due to answer questions from the Culture, Welsh Language and Communications Committee next Thursday morning. Would it be possible to move the meeting with the First Minister to some day before Thursday 18th please? The questions put to my Minister in Committee could include the Welsh Language Health Standards, and knowing the First Minister's concerns before this Committee meeting would assist the Minister in providing answers to their questions.

Thanks
