Please find attached a Welsh and English version of a consultation response document to be published on Tuesday 27 February. The timing of publishing needs to coincide with laying some documents in the Assembly. We hope this will happen around lunchtime.

Can we let you know when to press the publish button on Tuesday?

These documents respond to this consultation. <https://beta.gov.wales/welsh-language-standards-improving-services-welsh-speakers-within-health-sector>
