Please find attach links to a briefing requested by the Minister. It comprises of 3 documents, the main document prepared by the Minister which now includes our comments and 2 appendices.

I also attached a PDF copy of 'More than just word...' (Mwy na geiriau ...) and a draft copy of the Explanatory memorandum which includes the RIA (financial assessment).

Could you also make sure that the Minister has a copy of MA-L/VG/0368/17.

Diolch
