# Brexit a'ch meddyginiaethau

Wrth inni baratoi ar gyfer ymadael â'r UE, mae Llywodraeth Cymru wedi rhoi cynlluniau ar waith i wneud yn siŵr bod cyflenwadau o feddyginiaethau yn parhau i fod ar gael ar ôl Brexit.

## Sut allwch chi helpu:

1. Parhau i archebu eich meddyginiaeth fel arfer.
2. Parhau i gymryd eich meddyginiaeth fel y nodir yn eich presgripsiwn.

Os nad yw eich meddyginiaeth arferol ar gael, efallai y rhoddir un gwahanol i chi.

Siaradwch gyda'ch fferylllydd os oes gennych unrhyw bryderon. [www.llyw.cymru/paratoi-cymru](http://www.llyw.cymru/paratoi-cymru)

# Brexit and your medicines

As we prepare to leave the EU, the Welsh Government has put plans in place to make sure you continue to receive the medicines you need after Brexit.

## How you can help:

1. Continue ordering medicines as you normally do.
2. Keep taking your medicine in the way it was prescribed for you.

If your usual medicine isn't available an alternative one may be given to you.

**If you have any concerns talk to your pharmacist.**
