Dirprwy Weinidog

Annwyl Dirprwy Weinidog,

It is with great sadness that I write to tender my immediate resignation as Interim President of the National Library of Wales due to the sudden, but absolute, breakdown in my professional relationship with the Chief Executive.

In order that the National Library can focus on the challenges and opportunities generated by the recommendations of the Tailored Review and on implementing its new Strategic Plan I consider that, sadly, this is the appropriate course of action.

With great regret,

Yn gywir,

Meri Huws
