Hello,

The 6 February would be ok, can you let me know if there is a planning obligation associated with the development and we can take a look at that before we receive the Inspector's report. I've flagged this with [REDACTED] so I expect the Inspector is already aware, but the Minister has recently issued the following letter [COP15, biodiversity deep dive, section 6 duty and the planning system | GOV.WALES](#), which will form a consideration for this DNS scheme.

Thanks

Hi [REDACTED], I'm coming cap in hand to you again, I'm sorry. We've had to consult NRW on an appropriate assessment for the Wentlooge DNS and they've not replied, also the Inspector has had a close family bereavement. The submission deadline is currently 16 January and the decision deadline is 10 April. Can we extend the deadline to 6 February?
