Dear all,

The Curlew TMP paper has been published online. We weren't expecting it until later this week, but the publisher has posted the uncorrected proof. Because it's not the final version I suggest not circulating the pdf at this stage – I'll let you know when the final version is out. I attach a blog summarising the study that we will be posting.

Please alert any relevant NRW/Welsh Gov colleagues I have missed.

Regards  
David
