Dear _____,

Request for Information – ATISN 18751

Thank you for your request, which I received on 20 July. You asked for the following information:

1. Please outline the make and model of each car, including any additional add-ons, whether they were bought brand new or second hand and the basic cost of each car and the additional cost of any add-ons. In the interest of security, please list cars as 'car 1, car 2' other than the First Minister's car which should be labelled 'First Minister's' car.
2. Please outline how many miles the First Minister's car has travelled since 13 December 2018.
3. Please outline how many journeys the First Minister's car has made without the First Minister present.
4. Please outline the total cost of running the ministerial fleet of cars since 1 January 2019, broken down by year.

In response to questions 2 & 3, The First Minister does not have a dedicated car. The information requested in questions 1 & 4 is shown below:
