Dear

Request for Information - ATISN 18956

Thank you for your request for information which I received on 12 September.

Your request

You have asked for the following information regarding the electric taxi scheme:

1. How much does it cost to buy the taxis?
2. How much revenue has been made by the scheme?

Our Response

I can confirm that the Welsh Government holds some of the information you have requested.

For question one, the Welsh Government provided Cardiff City Council with the funding for this scheme, however, all vehicles were purchased by the Council. The Welsh Government does not hold this information. I would suggest that you contact the Council directly for information on costs using the following email address:

FOI@cardiff.gov.uk

For question two, we understand that no revenue has been created from the vehicles as it is a free scheme for licensed drivers to trial a vehicle for 30 days. The trial will end in November this year.
