Dear Colleagues,  
Here is the report I mentioned.  
Thanks for organising this meeting – it was helpful to catch-up in preparation for next week’s meeting.  
All the best,

Hi,

Yes, of course – next week I can only do Thursday at 11am (we have a team meeting but I am sure it can be re-scheduled for slightly earlier on the day).

Coincidence, I have just been informed by central university people that she wishes to meet with the Confucius Institute’s team on the 25<sup>th</sup>!

See you soon.

Hiya both

I hope this finds you both safe and well. We've been asked to meet the Chinese Minister Counsellor for Education Affairs on the 25<sup>th</sup> May to give an overview of Curriculum development in Wales. Is it possible for myself, to have a brief meeting next week so we can flesh out some of the points in your Global Futures updates?

I know diaries are crazy and getting a convenient time is never easy but we're free on **Tuesday at 10:00 or 14:00** or **Thursday at 11:00**.

Let me know if any of these are suitable and I'll send over a Teams invite.

Hope you're both well
