Hi Gareth,

Thanks for that – unfortunately the box at the start of Section 7 on the bottom of page 2 indicates that Secondary Consents are required – are you able to send us a version with that set to ‘No’ please?

Thanks

Rob

Hi Gareth,

We can't accept the form as submitted, please fill out a new one. The Secondary Consent planning application would need to be for a discrete element of the proposal not covered by the main description of DNS development. If you do not have such an element then it may be that you can remove the reference to a Secondary Consent planning application. Otherwise please specify what is subject to the application under S57 of the Town and Country Planning Act 1990 (as amended).

Thanks very much

Rob

Dear Gareth,

Thank you for sending the completed notification form and site map.

I just wanted to clarify the Secondary Consent you've noted on the form – the description sounds like the DNS consent that will be applied for when you submit the full application, and I wanted to check that this was correct before accepting it.

Best Regards
