Dear [REDACTED]

The attach for your records the additional information that was submitted to NRW. This was only an email correspondence, and no additional reports were attached or issued to NRW.

The email from [REDACTED] to NRW does make reference to a draft Ecological Appraisal Report but this wasn't issued to NRW.

Kind regards

Hi Gareth

Thanks for sending over this cover letter. However, we would need a record of the additional information sent over for file – and then we would consult with NRW directly.

Hopefully, as you've already done this and cut us out of the loop, it'll be a quick process to hear back from NRW once we've had the report. However, we would need to see the additional reports submitted to inform our Screening.

Hope this is OK.

Kind regards
