Subject: Permitted development rights

I refer to the Welsh Government's recent consultation on 'Amendments to permitted development rights Gov. Wales'. I am concerned about the proposal to double the 'temporary use' days allowed by the Town and Country Planning (General Permitted Development) Order, 1995. I am anxious to find out what is happening as regards this proposal, and to whom representations should be made about it.

I hope that I am correctly addressing this request to you, and that, if not, you could be kind enough to let me know to which minister/ department this enquiry should be addressed

I would be most grateful for your help in to this matter.

Best wishes
