Dear ,

ATISN 19600 – Wales Metaverse

Information requested:

Thank you for your request which I received on 21 May 2024, in which you asked for the following information:

- How much public money was spent on developing Visit Wales' Wales Metaverse?
- How much public money did Swansea-based company 'iCreate' receive from Welsh Government to develop the Wales Metaverse?

Our response:

The Wales Metaverse was commissioned by Visit Wales, as part of the annual digital tourism marketing activity programme.

We cannot disclose, due to commercial confidentiality, a detailed breakdown of costs attributable to iCreate. However, we can confirm that in total i.e. technical development, licence fees and hosting, the project has been delivered for less than £16,000.
