Dear Amy,

I'm ever so sorry for the delay in responding to you, I took some leave before and during easter.

GBGB would like to express their thanks to you and your colleagues for attending the track on the 18th March. We appreciate your time is precious and are grateful you spent such a decent amount of time with us and heard and considered everything that was said.

You are of course welcome to visit again on a race day, I will get the race schedule to you and I will speak to GBGB today in relation to the data you have requested and get that to you asap.

Best wishes,

Dear Hannah,

Thank you very much for organising our visit to Valley stadium on Monday, can you please extend our thanks to everyone that attended. We really appreciate the time everyone gave to the visit. We all found it extremely informative and possibly more productive that visiting during a race day as we were able to discuss issues at length with you all. That said, it was mentioned that we could visit during a race day. We would like to keep that option open and we'll be back in touch with you as soon as we're able to arrange a visit.

GBGB Stats and annual reports detailing the economics, membership, injuries and retirement/rehoming etc. were mentioned several times. We would be grateful for any documents you could send us that you think would be of value.

Would it also be possible to have a list of attendees and contact details for the GBGB staff we met please?

Thank you again.

Kind regards

Amy

Dear Amy,

I hope you are well.

We are really looking forward to hosting you and your colleagues at Valley Track on 18th March and also wanted to mention the invitation extended to the Minister and the Chief Veterinary Officer, if they were available. We think would find the visit very informative and useful.

Please do let me know if they would like to join, or whether it would be better for me to invite them directly.

Best wishes,

Dear Amy,

Sorry for the delay in responding, would the 18th March still suit for a visit to Valley Track Stadium.

If so, would 10am work for you, or would the afternoon be better?

Dear Hannah,

Thank you for the invitation to visit the Valley Stadium. We would be happy to attend. Sometime in March would be better for us. Would the afternoon of either the 11th or 18th be suitable for you? I have also copied my colleagues Kate Frawley and Richard Griffiths who would also like to attend.

Kind regards

Amy

Dear Amy and Jacqueline,

I hope you're both well.

On behalf of our clients, the Greyhound Board of Great Britain, I would like to invite you to visit the Valley Track Stadium in Caerphilly, to look at the facilities, talk to some of the trainers and vets and see some of the greyhounds, which we think may help inform the current consultation.

We would be very happy to arrange this at a time to suit you, anytime within the next few weeks, please let me know if you would be happy for me to arrange this.

Best wishes,
