13 or 14 C. farmhouse. Traditional materials. Vandum coursed stone, roughly shaped. Slate roof. Walls 4 ft. thick. Fine example of "Simdde fawr", or big fireplace, deeply recessed, in kitchen. Frontal part early 19 C. Late Georgian. T-shaped addition to older part of building.

Demolished (69 or 71) - outside NP

Believed to have been demolished about 30 years ago - not in NPA - consulted Gwynedd Lpa - no response - confirm <sup>to</sup> ~~with~~ Lpa that it actually has been demolished with ~~consent~~ and (if it had) proceed to delisting. EH confirmed that in 1995 that it had been demolished in 1969. Proceed to delisting straight away. but consult Gwynedd again - let them know + ask about - e-mail Gwynedd + let them know.
