Dear

Request for Information - ATISN 19709

Further to your request for information I can confirm we hold some of the information which you requested:

1. The number of and type of dead animal found on the Welsh Government roads from January 2022 to 30 June 2024
2. Where (by road name) each recorded incident took place broken down my month year and type of animal.

We hold some information for questions 1-2. We do not hold the information by month.

Information for 1 January 2022 to 30 April 2023 has been released under a previous FoI request FoI 17458 and can be found on the Welsh Government website. Home | GOV.WALES. For ease I am attaching the spreadsheet.

For information for 1 May 2023 to 30 June 2024 please see the second attached spreadsheet.

The information is taken from two record sets, so it is possible there is duplication of information. These figures are taken from reports received of a dead animal so should not be taken to be the full extent of dead animals on our network.

If you are dissatisfied with the Welsh Government's handling of your request, you can ask for an internal review within 40 working days of the date of this response. Requests for an internal review should be addressed to the Welsh Government's Freedom of Information Officer at:

Information Rights Unit,
Welsh Government,
Cathays Park,
Cardiff,
CF10 3NQ or

freedomofinformation@gov.wales

Please remember to quote the ATISN reference number above.

You also have the right to complain to the Information Commissioner. The Information Commissioner can be contacted at:

Information Commissioner's Office,

Wycliffe House,
Water Lane,
Wilmslow,
Cheshire,
SK9 5AF

However, please note that the Commissioner will not normally investigate a complaint until it has been through our own internal review process.

Any information released under the Freedom of Information Act 2000 or Environmental Information Regulations 2004 will be listed in the Welsh Government's Disclosure Log (at https://gov.wales/about/open-government/freedom-of-information/responses/?lang=en).

Yours sincerely
