Subject: MA-JJ 3111/21 - Call-in request - Full planning application for the proposed erection of an affordable dwelling on land at [REDACTED] Ceredigion

Good morning

The attached MA asks the Minister for Climate Change to decide whether or not to call in a planning application. The application seeks consent for development of a single dwelling in the countryside in Ceredigion. Call-in is recommended.

A decision before 30 September would assist officials in progressing the case.

Many thanks
