[REDACTED] – on return

Further to my email below, I have today spoken to [REDACTED] who is unsure whether we need an Art 18 Direction and is pondering whether we can reach a decision sooner rather than later (non-intervention).

He is going to ponder further and we can have a chat on Thursday, 1 August when you are back.

I attach a link to an Art 18 Holding Direction that [REDACTED] has asked me to draft and send to you for clearance and signature - no urgency with this one.

[REDACTED] also asked me to attach an email from the case officer at PCNPA which explains why a Direction is needed.

I have asked the case officer for sight of the NRW report when it becomes available.
