Subject: Proposed Development at Cawdor Barracks

Hello,

I am working with the Ministry of Defence on the planning application at Cawdor Barracks under reference 22/1136/SO and I would like to make contact with the case officer for the project who is noted on your scoping response as [REDACTED]

We are engaging with consultees from Pembrokeshire County Council over the scope of assessment where there is some discrepancy over the application of standards and guidance in relation to our settings assessment methodology. This discrepancy was not raised in the CADW response so it would be very useful to have a conversation in the first instance about that and hopefully arrange a meeting to define the scope and what is proportionate and appropriate for the assessment.

I look forward to hearing from you.

Many Thanks,

[REDACTED] MA
